

Uses for X-O Plus Odor Neutralizer & Cleaner

Air Freshener: Spray X-O Plus Odor Neutralizer/Cleaner into the air as needed. Spray into air return vent to neutralize odors throughout the air system zone.

Bathrooms, Showers & Baths: Spray X-O Plus Odor Neutralizer/Cleanser on any surface and wipe with a clean cloth. Spray X-O Plus Odor Neutralizer/Cleanser into the air for "Bathroom odors". Pour X-O or Concentrated X-O into toilet to eliminate odors before they start. Dilute Concentrated X-O Plus Odor Neutralizer/Cleanser at 1oz. per gallon of water as a wipe down solution. Clean all bathroom surfaces, floors, basin, toilet, tub, shower, windows, vanity, mirrors. Pour Concentrated X-O full strength onto a clean cloth and wipe shower door or shower stalls to remove soap scum. When an abrasive cleaner is required to remove mineral deposits from toilets/commodos, shower stalls and exterior window surfaces, make a paste of Bon Ami (Bon Ami contains 94% feldspar, a natural clay, and 6% natural soap) with Concentrated X-O Plus Odor Neutralizer/Cleanser. This will form a mildly abrasive cleaning polish that will polish glass, porcelain, stainless steel, ceramic tile, chrome, fiberglass, Formica, and imitation marble. Sprinkle a small amount of Bon Ami on a lint-free cloth dampened with Concentrated X-O Plus Odor Neutralizer/Cleanser. Coat the surface to be cleaned and allow to stand until dry. Polish with a clean, lint-free cloth. Occasionally, when all else fails, it will be necessary to use a wet/dry abrasive paper of 600C (fine) or less on very bad rust stains and mineral deposits. Use wet/dry paper only as a last resort to restore, never in everyday cleaning. Porcelain surfaces can be damaged with wet/dry papers and they should never be used on imitation marble surfaces.

Camping: Spray X-O Plus Odor Neutralizer/Cleanser when using portable camp toilets and outhouses. Use 1 to 2 oz. Concentrated X-O Plus Odor Neutralizer/Cleanser per gallon of water in RV holding tank.

Carpets: For spot cleaning coffee stains, spray with X-O Plus Odor Neutralizer/Cleanser and lift the stain with a dry towel. Use Concentrated X-O full strength to remove chewing gum. (Wet the surface of the gum with X-O. Wait several minutes before lifting the gum with a dull knife.) Before vacuuming or spin-bonnet buffing, spray X-O Plus Odor Neutralizer/Cleanser into carpet. Use 1 oz. of Concentrated X-O Plus Odor Neutralizer/Cleanser per gallon of water in carpet extraction cleaner system. No need to add other cleaning chemicals. Proceed to clean the carpet area as per equipment manufacturer's directions. Hard Floors: Use 1oz. of Concentrated X-O per gallon of water for wet mopping.

Cigarette Smoke: Spray ash trays with X-O Plus Odor Neutralizer/Cleanser. In recreation rooms or wherever smoking is permitted, make a wick with paper towel in a container, soak with X-O and place behind an air vent or screen.

Decomposition Odors: Spray X-O Plus Odor Neutralizer/Cleanser to neutralize odors in the air. If decomposition odors are affecting a dwelling or vehicle, clean up liquids and solids and spray the area with X-O Plus Odor Neutralizer/Cleanser at 4oz. per gallon of water using cold aerosol equipment. Soak cotton balls in X-O and lob into drop spaces and rafter areas for dead rodent odors inside a wall.

Dining Room: Mop hard floors with 1 oz. Concentrated X-O Plus Odor Neutralizer/Cleanser per gallon of water. Spray X-O Plus Odor Neutralizer/Cleanser to table and counter tops and wipe with a clean cloth.

Dumpsters: Spray X-O Plus Odor Neutralizer/Cleanser into the Dumpster each time the trash is taken out. Use 1 part Concentrated X-O Plus Odor Neutralizer/Cleanser per 50 parts water in Dumpster spray systems.

RiMAX Bio

Economical Organic Solutions

Fishing: Spray X-O Plus Odor Neutralizer/Cleanser for cabin bilge and ice chest odors. Spray hands after dressing fish and handling bait. Spray tackle box.
